

MBCH

Malaysian Business Consortium on HIV/AIDS

by Malaysian AIDS Foundation

HOW CAN YOU HELP

Sign up as a Gold or Platinum member to foster a supportive, conducive environment for the management of HIV/AIDS and protection of rights of employees living with HIV at your workplace.

WHY BE A MEMBER

Create a better, safer workplace environment for employees living with HIV based on national and global industry policies and standards.

Be part of a growing corporate Malaysia movement to support the enactment of the HIV/AIDS workplace protection bill by 2020.

Make ending AIDS your business priority aligned with the national and global AIDS response goals of achieving an AIDS-free generation by 2030.

WHAT YOU GET

PLATINUM

Three (3)-year programme

Credit mention of partnership in relevant communication and publicity materials.

HIV/AIDS-related occupational safety and health awareness trainings: Six (6) sessions on the basics of HIV/AIDS, two (2) on sexual and reproductive health, two (2) on other related occupational safety and health awareness topics.

Tax exemption receipt of RM20,000.

Unlimited expert consultation with your company's human resources team on the development of a HIV/AIDS workplace policy.
